Join a Leading Healthcare System in South Florida

THORACIC SURGERY PHYSICIAN CAREER OPPORTUNITY

Memorial Healthcare System is seeking an ACGME residency trained, BE/BC thoracic surgeon to join two established general thoracic surgeons in its Division of Thoracic Surgery. The Division is the sole provider of thoracic surgical services to a large and diverse population, and practices all aspects of thoracic surgery, including interventional endoscopy, except lung transplantation.

Desirable candidates will possess expertise in minimally invasive surgery, including thoracoscopic, laparoscopic and robotic surgery techniques, with the ability to treat the full spectrum of pulmonary and esophageal diseases. A particular interest in esophageal surgery is desired. Qualified candidates will also possess exceptional communication skills to help expand the referral base, strengthen community ties, and grow the esophageal surgery program. For those interested, The Office of Human Research provides support for translational science research, including clinical trials.

This is a full-time, employed position with the multi-specialty Memorial Physician Group. The position offers competitive benefits and a compensation package that is commensurate with training and experience. Professional malpractice and medical liability is covered under sovereign immunity.
