Thoracic Surgeon

Wake Forest University School of Medicine's Department of Cardiothoracic Surgery is seeking an additional Thoracic Surgeon to join our practice in Central North Carolina. The selected individual will join us at a time of tremendous opportunity at Wake Forest Baptist Health resulting from our partnership with Atrium Health, which is investing \$3.4 billion in our health system and medical school over the next ten years including the development of a full second medical school campus in Charlotte, North Carolina.

Job Description

- Excellence in the entire spectrum of General Thoracic Surgery, including benign and malignant lung, esophageal, lung failure, lung transplant, and ECMO
- Proficient in minimally invasive thoracic surgery (VATS and Robotic)
- Share call with thoracic attending group
- Teach cardiothoracic surgery residents, general surgery residents and medical students

Benefits

- Medical plans, vision, dental, prescription
- Life insurance options
- Medical malpractice insurance
- Flex spending and HSA
- Disability insurance, short and long term
- License/DEA reimbursement
- Participation in 403(b) and 457(b) retirement plans
- CME expense reimbursement
